ACADEMICS @ GSHS

Each Term GSHS celebrates Student Achievement in Academic, Effort and Behaviour and Attendance, across all year levels,

PATHWAYS THROUGH OUR TECHNICAL COLLEGE

The current Year 12 cohort has already had 14 of the 25 students depart the program and into their vocational pathway.

Of the early leavers:

- 57% have transitioned into an Apprenticeship/Traineeship
- 36% have transitioned into Full-Time work or undertaken further education in their preferred vocational pathway

Gladstone State High is committed to finding the right pathway for students through a variety of ways. Gladstone State High School would like to thank the local business and industry for their ongoing support of our Technical College students and providing them with valuable and authentic experiences.

THE STATS

- 99.95% of Year 12 students achieved a QCE/QCIA in 2023
