Dear Parent/Guardian

The State School Media Consent form is completed by the parent/guardian upon enrolment for each student to authorise the publication of the student's name in various school media platforms. When completing this form, parents/guardians can indicate whether we are able to use the student's full name, first name only or no name when publishing in various school media platforms.

Our records show that you have indicated on the state school media consent form, an alternative to your student's full name. As this affects your student's school photo and student ID card, we ask you to give permission in the section below to have your student's full name published on their school photo, on their student ID card and in the Tonka magazine only.

If you do not return this permission form by Wednesday 6 March, your student's name and photos will be omitted from the school photos and the Tonka magazine. This will also mean your student will not be issued with an ID Card. We are bound by the timelines provided by the photographers so it is imperative you action this by 6 March 2019.

If you need any further clarification, please contact Courtney Rowe, Business Manager on 4976 6111.

Yours faithfully

Garry Goltz
