

QParents

Secure online parent portal

QParents

Gladstone State High School is now a QParents school. The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child's school. Parents will have secure, online access to their child's student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child's school to access and manage their child's student information, including:

- **Attendance and absence details, as well as the ability to notify the school of an absence**
- **Academic report cards**
- **Class timetables**
- **Viewing and updating student details, including medical conditions and address**
- **Enrolment details**

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way. It will not replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.

The benefits of QParents

- **Convenience and time savings for parents**
- **Greater transparency of information**
- **Improved administration efficiencies for schools**

What is a QParents Account Owner (QPAO)?

The school can nominate one parent or legal guardian for each student to be the QParents Account Owner (QPAO). The QPAO will be able to register for QParents to access and manage the student's information online. A student's QPAO will be able to view the student's information and submit requests to update some of the student's details.

Registering for QParents

You will receive an invitation email or letter from us containing your unique invitation code once your student becomes active at our school. Simply follow the instructions in that email or letter to complete the QParents account registration process.

If you wish to nominate to become the authorised QParent Account Owner, please provide your **email address, the name of parent/guardian and name of student** below and hand this in with your enrolment paperwork.
