

GLADSTONE

State High School

Year 8 into 9 Subject Selections for 2023

In Year 9 students will have an opportunity to study four electives over the course of the year, two each semester. Students must select at least one Arts and one Technology elective in the top four elective choices.

Students interested in Geography - **North Keppel** or Health and Physical Education - **Outdoor Education** are only submitting an expression of interest, a separate application and teacher references must be submitted. A cost is involved for both of these subjects.

Japanese can be studied for a semester or for the whole year. Please indicate which option you would prefer.

Please note: We are constrained by the number of students and subjects that we are able to offer. As such, students are also requested to provide additional choices in the event that we are not able to fulfil the first four preferences.

Arts elective subjects include (students must pick one of the following list):

- Visual Arts
- Drama
- Music
- Dance
- Media

Technology elective subjects include (students must pick one from the following list):

- Design and Technologies - Design
- Design and Technologies - Graphics
- Materials and Technologies Specialisation - Industrial
- Materials and Technologies Specialisation - Textiles
- Food Specialisations
- Digital Technologies - Digital
- Digital Technologies - Robotics

Other elective subjects include:

- Economics and Business
- Japanese (can be selected for the semester or the year)
- Health and Physical Education - Outdoor Education
- Geography – North Keppel

Please complete the form attached to select your elective preferences for 2023. Please return to the office ASAP for processing. If you are selecting North Keppel or Outdoor Education please collect an application from the office and once completed return to the office.
