## State High School

### Year 9 into 10 Subject Selections for 2023

In Year 10 students will study:

- English
- Mathematics (Extension, General or Foundation)
- Science
- Health and Physical Education
- History (for one semester)
- Plus three semester electives

Important considerations:

- Japanese can be studied for a semester or for the whole year. Please indicate which option you would prefer.
- Some of the mandatory subjects have extension classes but again students cannot select these extension classes, they will be automatically enrolled into them based on their Year 9 exit results. Any questions regarding the extension classes should be directed to the Head of Department or Deputy Principal.
- Please note: We are constrained by the number of students and subjects that we are able to offer. As such, students are also requested to provide additional choices in the event that we are not able to fulfil the first four preferences.

Students can choose from the following electives:

1. Japanese
2. Economics and Business (Business Studies)
3. Economics and Business (Introduction to Accounting)
4. Digital Technologies (Digital)
5. Digital Technologies (Robotics)
6. Art (Applied Design)
7. Art (Visual Art)
